

JIET Group of Institutions

Implementation Plan

Week	Module Name	Task Involved	Start Date	End Date
Week 1	Create Group and Update User group	<ul style="list-style-type: none"> Implementing a Create Group and Update User Group form. Creating a database table for storing user credentials. Front End Design. Database Design. Unit Testing. 	8/1/2013	9/1/2013
			9/1/2013	10/1/2013
			10/1/2013	13/1/2013
			13/1/2013	14/1/2013
			14/1/2013	15/1/2013
Week 2	Set Up Connection	<ul style="list-style-type: none"> Implementing a Set up Connection form. Study of Network connection system call functions for windows platform. 	15/1/2013	16/1/2013
			16/1/2013	22/1/2013
Week 3	Set Up Connection	<ul style="list-style-type: none"> Front End Design. Database Design. Unit Testing. 	22/1/2013 27/1/2013 28/1/2013	26/1/2013 28/1/2013 29/1/2013
Week 4	Integration of Modules	<ul style="list-style-type: none"> Integrating Login, Create Group, Update user Group and Set up Connection modules as per flow diagram of system. Integration of User interfaces of modules implemented. Integration testing of completed modules. 	29/1/2013	1/2/2013
			2/2/2013	3/2/2013
			4/2/2013	5/2/2013

Week 5	Files to Share	<ul style="list-style-type: none"> Implementing Files to Share form and database design. Study of browsing functions in java. 	5/12/2013 9/2/2013	8/2/2013 12/2/2013
Week 6	Files to Share	<ul style="list-style-type: none"> Implementation of browse files function. Front End Design. Unit testing. 	12/2/2013 15/2/2013 18/2/2013	14/2/2013 17/2/2013 19/2/2013
Week 7	Integration of File to Share Module	<ul style="list-style-type: none"> Combining File to Share module with system according to design plan. Combining user interface of all modules. Integration testing of modules implemented. 	19/2/2013 22/2/2013 25/2/2013	21/2/2013 24/2/2013 26/2/2013
Week 8	Share Module	<ul style="list-style-type: none"> Study of JXTA P2P libraries of Java. 	26/2/2013	5/3/2013
Week 9	Share Module	<ul style="list-style-type: none"> Implementation of the Share module form and JXTA network. 	5/3/2013	12/3/2013
Week 10	Share Module	<ul style="list-style-type: none"> Designing peer to peer network and related libraries. Integration of Share module in system. 	12/3/2013 17/3/2013	16/3/2013 19/3/2013

Week 11	Share Module	<ul style="list-style-type: none">• Back End Design.• Unit Testing.• Integration of Share module in system design.	19/3/2013 21/3/2013 22/3/2013	20/3/2013 21/3/2013 26/3/2013
Week 12	Integration Testing and System Testing.	<ul style="list-style-type: none">• Integration testing of system.• System testing.	26/3/2013 30/3/2013	29/3/2013 2/4/2013
